ETON CITY

Loving the good life in a world-class city

The latest addition to the emerging community of ETON CITY, TierraBela is embellished with resort-style amenities and lush greeneries in an inspiring neighbourhood that's near everything important.

TierraBela is a modern contemporary inspired community, offering generous lot areas of 225 square meters.

A sprawling 18-hectare residential development, TierraBela is part of the grand Eton City master plan that puts you steps away from a progressive business district, recreational facilities and vibrant retail and leisure destinations.
